General

1. You must avoid issuing statements that directly or indirectly impugn the character, integrity or personal reputation or make charges of illegal, improper or immoral conduct without factual foundation. Provide us supplementally, or disclose, the factual foundation for the following statement: "Furthermore, Mr. LoCascio has been embroiled in his own scandals, notably being included in Jeffrey Epstein s 'Black Book' and having public associations with convicted criminal Ghislaine Maxwell." Additionally, in your response please provide more specificity about these "public associations." In this regard, note that the factual foundation for such assertions must be reasonable. Refer to Rule 14a-9.

We remind you that the filing persons are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
